

Token listing offer

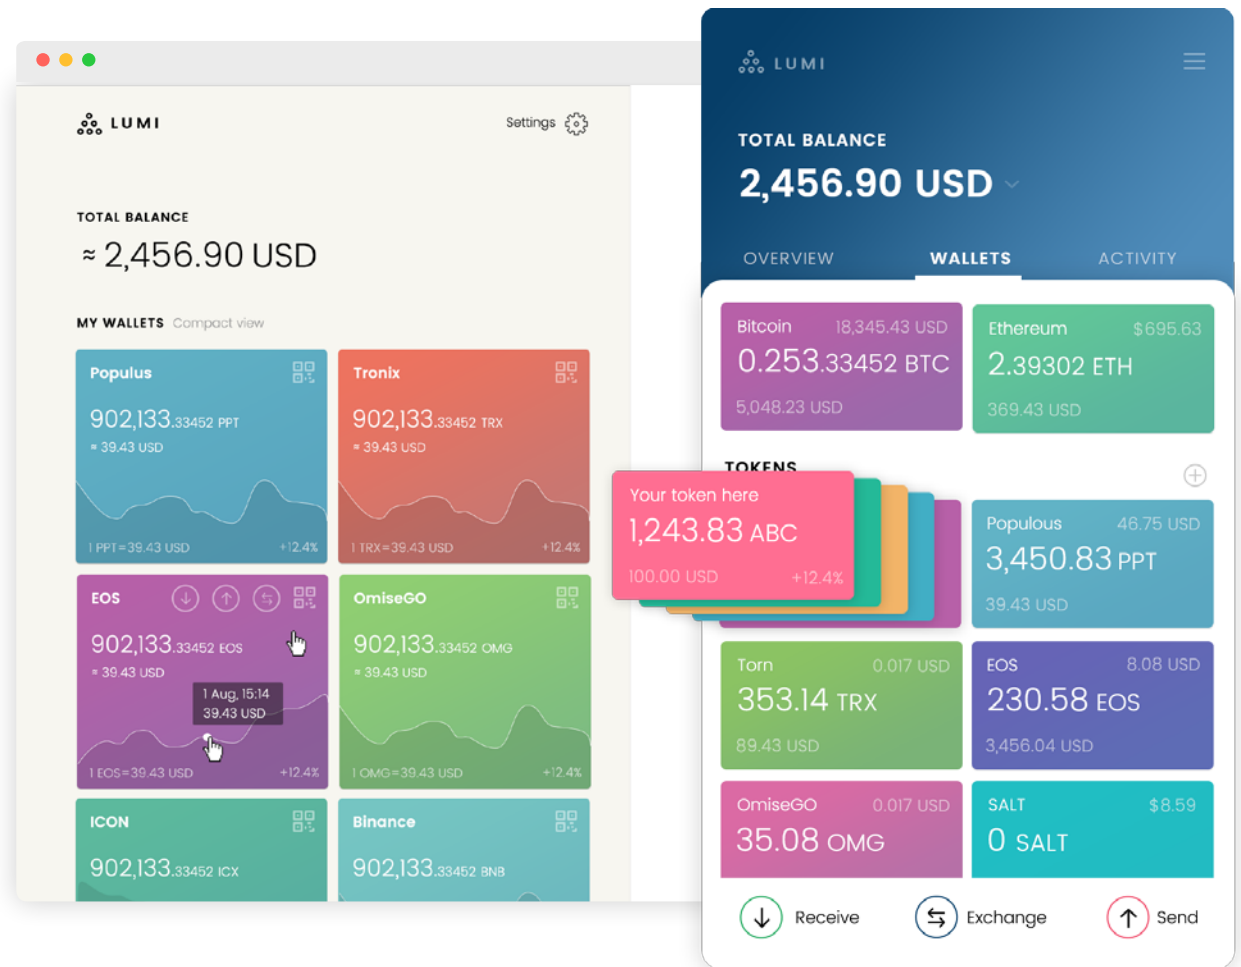

Your token appears in Lumi with a personal token card in brand colors, featuring price graph and real-time exchange rate.

Listing increases:

- brand awareness,
- value of the asset,
- number of token holders,
- convenience and mobility of token holding.

Wallet features:

- full token holder control over its funds,
- mobile & web supported,
- in-app exchange.

NB! Listing during ICO token sale stage boosts the fundraising volumes.
